

Magnetic & Ceramic Power Solutions

Wir garantieren qualifizierte Beratung, schnellen Service und eine große Auswahl!

Ihr Spezialist - Your Partner for

Passive Components, Inductors, Capacitors Hermetic Packages, Lenses, Windows Connectors

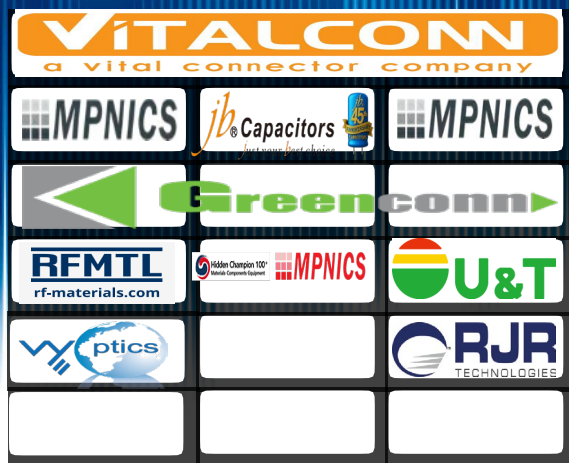

Passive Components

Bauelemente

	JB Capacitors	UT Electronics	Tocos Cosmos	Kingcore	MPNICS Ltd	VY Optics
Capacitors						
- Plastic Film Capacitors	•					
- Aluminum Electrolytic Radial/SMD Caps	•					
- Polymer Aluminum Solid Radial/SMD Caps	•					
- Ceramic Caps Non-Magnetic Radial/SMD	•					
- Hi Q Low ESR Size 0402/0603/0805/0505	•					
- Hi Q Low ESR Size 0505/1111/2525/3838/6243/7676	•					
- Tantal Capacitors Radial/SMD	•					
- Super Capacitors	•					
- Varistoren	•					
Magnetic Components						
Output common mode choke or inductor 300A		•				
Gate Drive Transformer		•				
Main Transformer upto 40KW - EN61558 and UL1446		•				
BMS transformer for EV Applications - Charger - DC/DC		•				
ESD und Dioden (netzwerke)		•				
Potentiometers/Trimmers						
Präzisionspotenziometer			•			
Panel Controls			•			
Encoders			•			
Trimmers			•			
Magnetic Component						
SMD Inductors/Coils/EMIL/Beads				•		
Kondensatoren						
Tantal / Elektrolyt / MLCC / Folie / Ceramic / Plastic		•				
Lens and Window Products						
Laser Optics - Sapphire/ZnSe/Ge/Si Windows					•	•
Chalcogenide Lens Products					•	•
Aspheric lens					•	•

Unsere Vertragspartner/Our Partners:

Electromechanical

	Vitalconn	Greenconn	GFT Technologies	RFMTL	RJR Technologies	First Electronics
Connectors						
Floating Connectors	•	•				
High Speed Connector and Cable	•	•				
Automotive Connectors	•	•				
Fiber Optic Connectors	•	•				
SIM Card/USB /	•	•				
RJ45 Connectors with/without Transformers	•	•				
Hermetic Packages						
Butterfly Packages (6Pin, 8Pin, 14Pin)						•
Low Power and High Power Applications						•
CNCCustom Made Packages						•
RF Packages					•	•
Ceramic Based Packages					•	•
Heat Sinks, Optical Sinks					•	•
TEC Cooler			•			•

Applications Package:

- TO-Gehäuse
- Optical and Photonics

Applications Windows & Lens:

- Optical and Photonics:

Applications Power Magnetics:

- Power Supplies
- Magnetic Devices - Photovoltaic
- General Usage
- Medical, Automotive, Industrial

Applications Connectors:

- Medical
- Automotive
- Industrial and Telecommunication
- Optical and Photonics

Others:

Quality Systems: ISO9001 / ISO140001 / TS16949 / AEC-Q200
